Feb. 10 at Activity Center **Public Meeting Slated on Land Development Code**

The City of San Marcos Development Services Department will hold a public meeting to collect input into proposed changes to the Land Development Code on Wednesday, Feb. 10 at 6:30 p.m. at the Activity Center, 501 E. Hopkins.

Interested residents and stakeholders are invited to attend. City staff seeks public participation in the workshop for discussion of revising the ordinances that govern development in San Marcos.

Sections under review include parking standards, tree preservation standards, mixed use zoning district, planned development districts, design standards for residential development, water quality standards and an I-35 overlay district ordinance.

The Land Development Code governs all development in the city limits and the three and a half- mile extraterritorial jurisdiction of San Marcos, including zoning, subdivision, watershed protection, site planning, and construction permitting.
